Engineering Controls	Linen & Room Spray Mandarin & Orchid is designed for spraying neat into the air
Personal Protective Equipment	None required when used as directed. Wear gloves & eye protection if cleaning up a large spillage.

9. PHYSICAL AND CHEMICAL PROPERTIES

Appearance	Clear slightly yellow liquid with mandarin and orchid fragrance.
Solubility in Water	Soluble in all proportions
pH (1% solution)	7.2
Flash Point	~ 62°C
Melting Point	Not relevant
Boiling Point	Not relevant
Specific Gravity	0.996

10. STABILITY AND REACTIVITY

Stability	Stable under normal conditions
Hazardous Polymerisation	Will not occur
Conditions to Avoid	Heat, sparks & open flame
Incompatible Materials	None known.

11. TOXICOLOGICAL INFORMATION

Ingestion	May result in nausea, vomiting and diarrhoea.
Eye	The product is irritating to eyes, but should not cause any long term damage if rinsed out promptly and thoroughly.
Skin	May cause irritation, redness and itching if the skin is sensitive.
Inhalation	Ethanol concentrations over 1000 ppm may cause headache, irritation of the eye, nose and throat.
Chronic Effects	Prolonged or repeated exposure to this product may result in skin irritation and possibly result in dermatitis.
Toxicological Data	None available for product.

Date of Issue: 21 April 2017

Product name: Linen & Room Spray (Mandarin & Orchid)

12. ECOLOGICAL INFORMATION

Ecotoxicity Product is classified as readily biodegradable.
 Avoid contaminating waterways.

13. DISPOSAL CONSIDERATIONS

Product may be disposed of to sewer or septic systems.
 Do not allow to enter stormwater system

14. TRANSPORT INFORMATION

UN No.	None allocated
Proper Shipping Name	None allocated
Hazchem Code	None allocated
Class	None allocated
Packing Group	None allocated

15. REGULATORY INFORMATION

Classification Poisons Schedule: Not classified according to the Poisons Standard October 2016.
 Classified as Hazardous according to Globally Harmonised System of Classification and Labelling of Chemicals (GHS).
