

# Bright Dish

## Technical Bulletin

Page 1 of 1

Issue Date: Dec 2006

### Description and Use

---

Bright Dish is a highly concentrated manual dishwashing detergent.

### Features and Benefits

---

Bright Dish is highly concentrated so each 5 litre lasts a long time, giving excellent economy in use. The Bright System pump can be varied in 5ml increments from 5 to 30ml per stroke enabling accurate dosing in any size sink.

Bright Dish is fitted with the Dominant Protekta Cap system, preventing contact with the chemicals when changing drums.

### How to Use

---

Bright Dish is dispensed through the Dominant Bright System Wall pump.

Use 1 or 2 pumps per sink full of dishes.

To change bottles unscrew the green pickup connector from the empty bottle, remove the green cap from the new bottle and screw on pickup connector.

For general cleaning use at rate of 1ml per litre.

### Technical Data

---

Bright Dish contains a high concentration of biodegradable detergents, plus solvent for grease cutting and to modify the viscosity for easy dispensing. It has a pH of 7.5 in the neat form.
