

Lemon Sunshine Technical Bulletin

Page 1 of 1

Issue Date: May 2010

Description and Use

Lemon Sunshine is a high quality liquid for washing the dirtiest dishes by hand. It is a clear yellow liquid with a fresh lemon fragrance. Lemon Sunshine combines grease cutting performance with skin conditioners to care for your hands.

Features and Benefits

Lemon Sunshine is a concentrated detergent so only small amounts are required to wash a sinkful of dirty dishes.

Lemon Sunshine contains new detergents made from corn and coconut oil. These detergents assist with detergency and are also extremely mild on the skin.

How to Use

Use 3 - 5ml in a domestic sink, or 15 - 30ml per 50 litre capacity for a commercial sink.

Wall mounted pumps of 30ml capacity are available on loan for use with large sinks.

For general cleaning use at 1ml/litre. If using through a dispensing bottle, do not dilute with water before adding to the bottle as this will dilute the preservative.

Technical Data

Lemon Sunshine contains a blend of biodegradable detergents, foam boosters and skin conditioners with a pH of 7.5 which is near neutral.
