

Mia Kleer

Technical Bulletin

Page 1 of 1

Issue Date: Dec 2006

Description and Use

Mia Kleer is an instant hand cleanser for use without water. Ideal to clean hands before and after handling food, changing nappies, while travelling, at work or at home.

Features and Benefits

Mia Kleer is a clear gel containing ethanol. This has good cleaning and evaporates off when spread over the hands for quick drying without any towels. This makes it ideal for use in areas away from wash basins.

Mia Kleer contains emollients to prevent the skin drying if used on a frequent basis.

How to Use

Dispense 2-3ml onto hand and work product into skin all over the hands. Wave hands to reduce drying time if required.

Technical Data

Mia Kleer is an aqueous gel containing 73% v/v ethanol. It contains emollients to condition the skin.

Mia Kleer has a pH about 7.5 in the neat form.
