

# Tall Timber Technical Bulletin

Page 1 of 1

Issue Date: June 2013

## Description and Use

---

Tall Timber is a bulk disinfectant deodorant spray with a fresh lemon fragrance.

## Features and Benefits

---

Tall Timber is a disinfectant deodorant spray in bulk form. It is much more economical to use than aerosols, and doesn't use hydrocarbon propellants which are dispersed into the atmosphere.

Tall Timber contains a strong lemon fragrance to give a long lasting deodorant effect.

## How to Use

---

Tall Timber can be used as surface spray disinfectant cleaner. Use neat for maximum effect or diluted with up to 2 parts water for maximum economy. Tall Timber cleans, disinfects and deodorises the surface. Adjust trigger spray to coarse setting.

To use as an air freshener set trigger spray nozzle to fine mist and spray into the air. Again it can be used neat or diluted with up to 2 parts water for greater economy.

Do not spray near motors or other unprotected electrical equipment, nor near flames or other ignition sources.

## Technical Data

---

Tall Timber is a water based solution containing a quaternary disinfectant and ethanol, plus detergents and a lemon fragrance. It has a pH of 5.8 in the neat form.

Tall Timber is classified as flammable with a flash point of 36°C in the neat form. When diluted 1 part to 2 parts water the flash point is over 60°C, so is classified as non-flammable.

## Pack Sizes

---

15L Drum  
2 x 5 L Bottle

Code: 26349  
Code: 14365

## Dominant Colour Code

---
