

# Dominant<sup>®</sup> All Kleen

Date of Issue: June 2003

---

## Description and Use

All Kleen is a bright pink opaque liquid with a fresh herbal lavender fragrance. It is a multi purpose cleaner for all washable surfaces.

---

## Features and Benefits

All Kleen is a concentrated product giving excellent economy in use.

It contains a fresh herbal lavender fragrance that deodorises whilst cleaning.

All Kleen contains biodegradable detergents and softens water using sodium citrate instead of phosphates. This makes it safe to use in septic tanks and in environmentally sensitive areas.

---

## How to Use

Use as a spray and wipe by adding 20ml to a 500ml trigger spray or 30ml to a 750ml trigger spray. Spray on surface then wipe off. Chemical resistant gloves are recommended when using as a spray and wipe. For mopping floors use 30-60ml (1/8 to 1/4 cup) in a bucket of water. If greasy soils are present warm to hot water will increase the cleaning ability.

---

## Technical Details

All Kleen is a concentrated detergent containing a blend of biodegradable anionic and non ionic detergents. It also contains alkaline builders to enhance cleaning ability and water softening agents.

All Kleen has a pH of 10.6 in the neat form.

---

## Safety

Gloves and safety glasses are recommended when handling neat or strong solutions of All Kleen.

---

## Hazard Information

Not classified as hazardous according to Worksafe Australia criteria.

Poisons Schedule: Not classified  
 Dangerous Goods: Not classified

---

## Packaging

All Kleen is available in 5 litre drums.
